Labor Trafficking is hidden in plain sight. Know the signs.

The Enitan Story is here to help. Labor trafficking is misunderstood and under identified for youth who are especially vulnerable. The Enitan Story is a labor trafficking survivor-led organization that can educate your community, agency or organization in recognizing the signs of labor trafficking, assessing youth who may be at risk, and assisting youth to safely access services.

If you are unsure, feel free to contact us to answer any of your questions related to labor trafficking.
